

# Investing for Success

**Under this agreement for 2022  
Sarina State School (0546) will receive**

**\$275,297\***

## This funding will be used to

- ✓ Develop and implement reading program – our Explicit Improvement Agenda [EIA]
- ✓ Support the transition to a full inclusion model for all students
- ✓ Increased attendance for all students
- ✓ Increase the percentage of students meeting National Minimum Standards in NAPLAN.

## Our initiatives include

- Developing effective pedagogical practices across Australian Curriculum, in teaching Reading.
- Continuing to develop and embed a whole school, research-based approach for inclusion, to meet the academic, social and emotional needs of all students.
- Continuing to embed the use of data to inform teaching and resource allocation.
- Improving community partnerships.

## Our school will improve student outcomes by

1. Employ a full-time additional Deputy Principal to support the implementation of Australian Curriculum and embedding effective pedagogical practices. (\$80,000)
2. Employ an Indigenous Teacher Aide (3 days a week for the year) to support community relationships, improvements attendance in First Nations Students and support both the inclusion and reading agendas. (\$35,297)
3. Purchase additional teacher aide time to drive the school's inclusion agenda and support Students with Disability(s) who come under the NCCD. (\$60,000)
4. Purchase additional Speech Language Pathologist [SLP] time (1 day a week) to support language development in the early years. (\$20,000)
5. Providing teachers with time to support their own wellbeing as well as develop year plans. (\$20,000)
6. Professional Development for staff to improve pedagogical approaches, implement reading across the curriculum, and ensure an effective transition to a fully inclusive school. (\$60,000)
