## The parent advocacy tool-kit

Inclusion in the regular local school has been possible for decades. It is a human right; supported by evidence and now also supported by Queensland's inclusive education policy. But achieving inclusion for all children is still not simple and straightforward!

- Embracing your role as an advocate
- What authentic inclusion in the regular class looks like,
- Education laws, policies and supports
- Speaking positively and confidently to work collaboratively with the school
- Advocacy tips to stay strong and effective
